## UI/UX DESIGNER/GRAPHIC DESIGNER

## OVERVIEW

Passionate and detail-oriented UI/UX Designer with hands-on experience in creating user-centric interfaces and design systems. Proficient in Figma and Photoshop with a solid foundation in HTML and CSS for building responsive prototypes. Currently working as a UI/UX Trainee at De Mentee Academy and previously interned at Digital SEO. Brings a strong analytical edge from prior experience as a SQL Developer at Ramco Systems in the logistics sector. Eager to blend creative design with functional problem-solving to craft seamless digital experiences.
